

**Dummy module**  
RIFLEX M1 dummy module

Type: **RMLM201**  
Order #: 0067519.001

## 1.1 Dummy module LM201

The dummy module LM201 is used as a fill-in for later extensions and does not contain any electronic components. It is used to protect the backplane.

**attention:** To meet the requirements of interference resistance or EMC protection, unused slots must be fitted with dummy modules LM201.

### 1.1.1 Order Code for Module

Order Code	Order #	Description
RMLM 201	0067519.001	dummy module for one module slot
